Total Thickness	0.29mm
Backing Thickness	-
Tensile Strength	38 n/cm
Elongation	5%
Temperature	-20°C to 90°C
Steel Adhesion	6n/cm
Dielectric Strength	-
Colours	Clear

Note

Unless otherwise indicated, the figures above are average values and should not be treated at face value for specification purposes. The Company reserves the right to improve products, and any change in specification will result in a re-issue of the information sheet. Customers should satisfy themselves that the tape is suitable for their requirements whether after such modification or otherwise. Please check that you have the latest issue of the information sheet. All slitting and length tolerances are to British Standards, but other tolerances are available by request.
