

**1470**

**Production Information – September 2007**

**Description**

A clear hot melt plasticiser free synthetic rubber adhesive based double sided cloth tape. High tack, good adhesion. Yellow Paper liner.

**Applications**

- . Laying of carpet and floor coverings
- . Retention of vinyl flooring and tiles

**Technical Details**

|                     |                |
|---------------------|----------------|
| Total Thickness     | 0.25mm         |
| Backing Thickness   | -              |
| Tensile Strength    | 17n/cm         |
| Elongation          | 4%             |
| Temperature         | -10°C to +50°C |
| Steel Adhesion      | 22 n/cm        |
| Dielectric Strength | -              |
| Colours             | Brown          |

**Note**

Unless otherwise indicated, the figures above are average values and should not be treated at face value for specification purposes. The Company reserves the right to improve products, and any change in specification will result in a re-issue of the information sheet. Customers should satisfy themselves that the tape is suitable for their requirements whether after such modification or otherwise. Please check that you have the latest issue of the information sheet. All slitting and length tolerances are to British Standards, but other tolerances are available by request.
